“ Clarice Ann will be missed so much by everyone. She was one of the nicest people I have ever known; patient, caring, considerate, always ready to help even before being asked. I had two cousins I considered being sisters to me, since I didn't have one. Clarice Ann was fourteen years older than myself and in my mind was my oldest sister. My mother and Clarice Ann's mother were born sisters, so it was only natural that my mother named me after her only sister, Beatrice. Our families have always been very close throughout the years.

May you find the peace with God that you so deserve, my loving sister.
