“ So many memories ands stories over all the years. Bob and Helen were such great people. Always making you feel like family. I'll truly miss Bobs gentile heart, and smiling face. But don't let that twinkle in his eye throw you off when he had a funny antidote to one of his many life's stories. He'd always say “sit down a spell”. He loved and cherished his family so much. So Very proud of you all! A very proud man and gentile as a lamb.

One of my favorite memories was when he took myself and my adult children now, for a ride down the street on one of his many tractors. Those tires were bigger than me. He had as much fun as we all did. He loved to visit and share his wealth of vast information that he had gained from a hard working life.

God rest you soul Bob. You're now safely home with Helen, together forever.

I'm truly blessed to have known and shared so many experiences with you and all your great family.

My prayers, and love go out to ALL of your family now and will continue.

My heartfelt sympathies,

Debbie (Kelly) Wlodarski, and the rest of our family.

“ We will always have the memories of seeing him in our coffee shop for a visit with his Granddaughter. He had so many story's to share about the railroad. We Loved seeing him at Jeremy and Katie's for visits. He treated our Grandchildren from another mother like they were his own Great Grand Children. Such a sweet and kind man who we Cherished very much. You all were so blessed to have him in your lives. May God comfort and give you strength in your time of need. “ I will always remember the fun we had at the farm. My stepdad Wesley Engelmann and Bob work together on the railroad. He and Helen were great, hard working people.

“ My Uncle Robert was a giant of a man.... He imparted to us, his character; his values, and his love without puffing up his chest or pontificating. He did it by his being, his every breath, and a twinkling eye that made even God smile. To my cousins, and all the family, my deepest sympathy.
