“ Anna is my cousin and she will be greatly missed by all who knew and loved her. Anna and I didnt grow up together all these years, but she has always been in my heart and was a joy everytime I did get the chance to see her. A memory I remember of Anna is when my brother Chris got married. Anna and myself along with our cousin Nicole were on the dance floor having a great time. Seeing the smile on Anna's face was worth it all and I will never forget that day! To all of us suffering the loss of Anna we need to have faith in knowing she now is resting easy with the rest of gods Angel's.. I love you Anna! Watch down on us and smile and guide us beautiful sweet girl.

Let comfort be given to her family in knowing she is no longer in pain or ever sad. She will be missed but never forgotten. Lots of Love and Prayers to her family, especially her wonderful loving mother Linda. You were the best and kindest mother, my heart goes out to you my friend. Lot of Love and Prayers!!!!

“ Anna was such a sweetheart and she will be missed at our office! Even on her worst days, she still kept her head up! We loved receiving her colored pictures and still have some hanging in our break room. They will be cherished and will remind us of the sweet girl she was. She couldn't have asked for a more loving mom than Linda, and I hope there is comfort in knowing she's resting in the arms of Jesus now. Forever young, forever healthy, running and laughing! Thoughts and prayers to the family in the days ahead!

“ My dearest friend Anna. I love you to the moon and back a thousand times over. You are forever in my heart and thoughts. We have been friends for 25 + years
You are a beautiful soul inside and out. I will definitely miss our phone calls our prayer time and our coloring. I have been blessed by your presence in my life. It's going to be difficult to live without you but God has answered our prayers. You are completely healed in no more pain and given you a new body. I will forever be grateful for having been your friend. You were a very good mommy to my children and your baby Katie. I will never say good bye. I will say see you later. I am so glad you have received your angel wings and are with Jesus now and forever. I love you baby girl. See ya

“ I knew Anna through my work and I can tell you she sure taught me more than I ever taught her. She always found the strength to smile and make the people around her smile. Anna was my hero. She went through so much in the past years and yet she was a trooper! I will miss her so much but I know that heaven has a very dear angel now. I hope with all my heart that she is swinging on a cloud and eating ice cream.

“ Dear Anna has gone to heaven to be with her heavenly father and her wonderful beloved grandmother Marjorie. They were both the most loving people I ever had the privilege to call my aunt and cousin. May God keep them in his loving arms. My prayers are with your family.
