

Aria Rose Warmuskerken

November 4, 2023 - November 28, 2023

With heavy hearts and tearful eyes, we bid farewell to a tiny soul who graced our lives for too short a time. Born prematurely on November 4, 2023, Aria Rose Warmuskerken passed November 28, 2023, leaving a profound mark on our hearts that will last an eternity.

Born to Matthew and Deanna Warmuskerken in Grand Rapids, Michigan, Aria graced this world as a fragile bloom; a gentle offering that bestowed joy and hope, even amidst life's uncertainties. Though her time among us was brief, the influence of her presence proved immeasurable. In the quiet moments we shared, we unearthed a love so pure and boundless that it transcends the confines of time and space.

Sweet Aria left an indelible mark on our lives with a gentleness that defied the brevity of her journey. Her spirit, though petite, was feisty and emitted a warmth that cocooned us in love and tenderness. Each heartbeat, each breath, though few, resonated with the profound beauty of life. She taught us the preciousness of moments, the fragility of life, and the resilience of the human spirit.

Aria is survived by her parents; maternal grandparents Dean and Laura Quick; paternal grandparents Bonnie Whitaker and Rex (Vicky) Warmuskerken; cousin Taesyah Hendricks; great-grandfather Russell (Patti) Partridge, and great-grandmother Jean (Dick) Ohse.

In the tapestry of our lives, Aria's may have been a fleeting thread, but her impact is woven into the very fabric of our souls. We will forever cherish the

memories we shared, the love we felt, and the lessons learned from a tiny angel who graced us with her presence.
