Art meant a great deal to my Dad, Lester. They grew up the best of friends and shared many adventures together. I send my love and condolences to the Miller family.

“ Best wishes Jean, from Fred, Lori and Fred Jr. Lewellyn during this sad time. Fred remembers getting the kids interested in fishing through the Rotary Club during Trout-A-Rama. All those hours spent making sure the young ones had everything they needed in the pole barn really seemed to make a connection between Art and my father. Your in our thoughts.

“ To Jean and family, so sorry to hear of Art's passing. I remember the Road Comm Board he served with Norman and they always had good words for each other, always seemed to enjoy those lunches the members had when they took their rides through out the county. God Bless.

“ *Dear Jean and Family,
Ed and I were so sorry to hear of Art's passing. He was such a good
guy!
My dad liked working with him on the road commission. Ed had so
much
bowling with art. I will always remember leadin you and art out of
the woods by
Barothy's lodge. Art said those "Luther girls" could lead you
anywhere.
Love and hugs!!
