“ I saw Carrie twice a year when she would come to my house to pay property taxes. She was one of the sweetest people I ever met. Each time we would chat for a bit about our families. It amazed me how from one tax season to the next how she remembered exactly what I had previously shared about my family. If someone had a health problem she remembered who it was and would ask how they were doing. Carrie ALWAYS spoke highly of her children. She was very proud of each of them and that showed by the way her eyes lit up when she spoke of them. I missed my chats with Carrie when she moved to Ohio, but it was nice knowing she was with family. Gods blessings to the family. May you cherish all of the wonderful memories you have.
