“ I am for you losing this irreplaceable part of your family. May God bring comfort as you travel on in your own lives even these many months later. Mr. Lasley was such a talented man and brought such great enjoyment to so many in using his voice to entertain. God bless you.

“ So many good memories of Davey...I was invited twice to travel with him, once to Carnegie Hall and then the last year he sang with James for the first leg of that tour. He loved staying at my place when he would come home. Never really knew why...I'm glad he is at rest now. Comfort, peace and love to the family.

“ Thank you David for being my friend. You are free of pain and in peace now singing with your Angelic voice in Heaven. I am so happy I got to speak to you just a few weeks ago; I am so thankful for you. Rest my friend!
