“ I moved to Ludington "fresh" out of college and taught 4th grade at Franklin School. That is where I met Donna. She was an aide in the special education classroom where she loved those kids and worked so wonderfully with them. Donna took me under her wing. She knew I wasn't a "local" person and she helped me learn about Ludington, as well as helped me adjust to my first teaching job at age 22. She was a gentle woman, and so kind. She and I became more than colleagues, we became friends. I am a Christian and I soon joined the Community Church. I loved Pastor Bill and Donna. My faith grew through listening to Pastor Bill's sermons and through my friendship with Donna. As we all know, she LOVED her family and was so proud of them. She would tell me all about them. I had the pleasure of seeing Donna just a few weeks ago. Ann was in the Post Office and I asked how her mom was. Ann said, "She is in the car." I went right out and talked to Donna.....she grabbed my hand, looked at me and smiled that smile that I had seen so many times...her genuine, heartwarming smile. We talked for a minute. Thank you God for that opportunity. Thank you God for giving all of us Pastor Bill and Donna Collins. To the Collins family, that Donna was so proud of, I am sorry for your loss and may precious memories comfort you. You will carry on their faith and family values. They are in Heaven proudly looking down upon you.
Love, Cindy Hill

“ Donna was a treasured friend, and we will miss her. We had many happy lunches with Bill and Donna when they wintered in Ocala, and visits with Donna in Ludington. Russ and Janet

“ So sorry to hear about your mom's passing! She was such a good friend of my mom when we moved to Ludington. It was very kind of her and Bill to let me stay at their home for a little while while my dad was in the hospital. Thoughts and prayers to the family! Good to know that she is in the arms of Jesus!

“ *Donna was a PEO sister of mine and the epitome of a kind, thoughtful lady. She always had a smile for everyone. I missed seeing her at our meetings when her health did not allow her to join us. We talked occasionally and she was always interested in hearing about Chapter EU and what we were doing. I will miss her; but we know she is with Bill now and rejoicing with the angels.*

“ *Perhaps the sweetest, kindest, most thoughtful person I ever had the honor to call a colleague. Donna worked tirelessly with me, as a new teacher of special needs children, at Franklin Elementary. She was a shining star for every child who walked through our classroom doors. They called her my "aide" but she was, more aptly, a GodSend!! Rest in the best and everlasting peace Donna!*
