

Dorinda Alna Blohm

April 26, 1958 - May 14, 2019

Dorinda Alna Blohm aged 61 of New Era passed away on Tuesday, May 14, 2019 at her home. Dorinda was born on April 26, 1958 in Ludington, the daughter of Donald B. and Flossie Alna (Dains) Miller and graduated from Pentwater High School with the class of 1976. She furthered her education earning her Licensed Practical Nurse degree from West Shore Community College and later returned to West Shore and earned her Registered Nurse Degree. Dorinda loved being a nurse and caring for people. She worked countless hours in the Emergency Room at Hackley Hospital in Muskegon and as a Nursing Supervisor for the Michigan Department of Corrections. When Dorinda wasn't working, her greatest joy was found in the presence of her family. She and her mother shared many ventures together with frequent trips to the casino and she looked forward to lunch dates with co-workers. Home was her safe haven, especially when her grandchildren were involved enjoying time spent together hanging out in the pool.

On May 4, 1984 Dorinda married Gary Blohm and their family grew to include sons Michael, Jeremy, and Kyle. Dorinda was preceded in death by her father Donald in 2008 and her brother Clinton in 2017.

Dorinda will be greatly missed by her sons Michael and wife Linda of New Era, Jeremy and wife Samantha of Shelby, Kyle and wife Katie of Rothbury; her grandchildren Logan, Zac, Dayton, Emily, Alex, Parker, Bailey, Gunner,

Kadence, Kyler, and one arriving soon; her mother Flossie Miller of Pentwater; her former husband and friend Gary Blohm of Shelby; her brothers Byron (Julia) Miller of Pentwater, and Doland (Laura) Miller of Newport News, VA; her “adopted” son Neil Allen and wife Danielle of Rothbury; her best friends Joe and Sharon Sharon of North Muskegon, and Angie Forbear of New Era; and many nieces and nephews.

The family would like to gratefully acknowledge Linda Blohm and Angie Forbear along with Harbor Hospice for their wonderful care of Dorinda these last weeks.

“ We would always walk down the road to the beach and look for asparagus together even when I hated asparagus, and she would always tell me about the horrifying things she saw when she was working. Always made me sick when I was a kid. When we would walk to the pool to have our pool day in the summer she would always tell me grateful she was and how proud she was of me and how amazing of a grandchild I was and I never thought anything of it. Late at night I would always sneak into her room when I stayed with her and with my cousins and she would let me play games on her phone when I was supposed to be sleeping and she would spoil me rotten. Oh how much I miss her. Thank you grandma for everything you did for everyone. I love you and I miss you so much!!

“ Dori always called me princess when she called the staffing office. I knew I wasn't her favorite, she loved us all. But she had a way of making you feel as if you were the most special person ever. When my husband died she had words of comfort and later advised me to be brave and go on a date and I ended up marrying the guy. I can't tell you how many times over the years Dori said and did things to help, heal, encourage or just brighten someone's day. Dori you will be sorely missed. Rest In Peace until we meet again.
