“ *Dorothy and Clarence were both loving and kind people. I have so many great memories of them. They were always helping and feeding us. I will miss her homemade apple pie, it was the best. They raised amazing children. I feel so blessed to have had them in my life. Love to you all. Emily and Chris and family.*

“ Dear Peggy and all of your family, I remember when Peg and Emily were at MSU and Peg's mom would make cookies and send or bring them to the girls, who were studying and rooming at MSU. I thought to myself, what a thoughtful lady. She was a special, caring individual that loved her family. How lucky you all are to have her for so many years. My thoughts and prayers are with all of Dorothy's loved ones. Respectfully, Alexis Lapenas Gestes-Bradow. Emily Gestes' Mom. I did not bring cookies to MSU but I brought asparagus to Dorothy's celebration and tribute to her contribution to life. Dorothy is a woman to be admired. Rest In Peace.
