“ I wish I had reviewed the information of her passing. She was such a great grandma to me! I never heard anything from her after my grandpa passed so I googled her name a lot to see if she has left us... Very upsetting to read this. May she now rest in peace with my grandpa Don

*My condolences go to her family and friends, she was such a kind and caring lady.*

“ My Aunt Edna was always a kind and gentle soul. It was so nice to be able to visit her and Don when they lived in Lamoni. It was just a couple hour drive from my home in the Kansas City area. I always felt welcome and loved. Mike, I want to send condolences for your loss. She will be missed.
