“Dad, I have been looking back through my past. You have been a constant in my life. I strive everyday to follow your advise, teachings of many variety of tasks. Going to the woods and cutting trees and hauling and splitting the wood. Skinning squirrels and hanging the tails, our enjoyment of that pickled deer ❤️. Teaching my knowledge on cars so I was not a damsel in distress on the side of a dark road alone. My greatest knowledge is my talents at being a farmer! Love my gardens! Didn't start well with the Farmall M, but we got through it!! Love and miss you Dad 💕💕💕🥺
