“ A special friend for many years, a sister in the Lord and part of a special group of girls at First Baptist Church in Chicago, many week-end trips and visits to Sister Bay, WI and countless hours of phone calls!
I have not been able to reach her since the first of the year although leaving many phone messages.

I'm sure Eunice is enjoying her reunion with her family and friends who have been waiting for her! Eunice will be missed !!

“ She hosted me at her home many days. She had a serving heart. I spent much time with her niece and nephew too! A true friend and I have many memories from time spent with her. Dedicated servant she was.

Eunice was a member of our Church, part of our family, and a servant that could only be seen in so many different colors of faith in her Lord and Savior. It is a privilege to be able to share in those threads that made her life so real. Anyone coming to share in her celebration of life will come to realize how much of a gem, Eunice was. We will miss her, but her life will be continued in the lives of her family - nieces, nephews, and their kids to follow, our churches and neighborhoods. Thank you Eunice for giving all, and loving us and your Savior so very much.
