“ So sorry to hear about Fern’s passing. I am her niece, daughter of Jack Huffman, her brother. I did not know her well, I only met her a couple of times in Ludington, Michigan when she invited us to dinner. I knew her mostly, in the later years, from Facebook and her invitations to online Solitaire tournaments. She must have loved those as she always did very well. I wish I had known her better. My sincere condolences to her family and friends. My thoughts are with you.

Thank you! She did love to play online games and usually beat everybody. I don't know much of the family, so I only really contacted Charlie and MaryErlene.
