

Gerald Allen Johnson

June 30, 1958 - December 16, 2021

Gerald Allen Johnson aged 63 of Ludington passed away on Thursday, December 16, 2021. Gerald was born on June 30, 1958 in Pentwater, the son of Theodore Max and Dorothy M. (Edel) Johnson and graduated from Mason County Central High School with the class of 1979. While working at Schoenberger's Market in Scottville, he continued his education by attending West Shore Community College. Gerald worked 38 years as a Machinist for Harrington Tool until they closed and had currently been working at Cone Drive Operations in Ludington.

When not out for a ride on his Motorcycle, Gerald could often be found buzzing around his R/C Airplane as a member of the Twisted Sticks R/C club in Ludington. Lately, Gerald began trying his hand at farming with his son Chad. He always loved working on tractors – especially International Harvesters, and had recently purchased a tractor he and Chad had planned to restore. Gerald also looked forward to “range therapy” with his pistols on his property in Riverton Township.

Gerald was preceded in death by his father Theodore and his mother Dorothy Johnson Carter. He will be greatly missed by his son Chad Johnson and wife Amber of Scottville; and his grandchildren Adison, Payson, Greyson, and Enderson Johnson.

A family memorial service will be held for Gerald in the spring with burial to follow at Brookside Cemetery in Scottville.

“ Knew the family from the West Michigan Trail Rider days back in Scottville when His dad and I would lay out trail routes for the dirt bikes in his Jeep. Did a big snowmobile trip or two with Jerry one to the UP when the snow was up over the hood seems like the Cat would cut through the snow better than my 2001 fizzer. Did see him a few times out at the project flying field with our Barry Kelly. Time flies by and surprised to run on this obit.
