

James Anton Dancz

December 5, 1943 - October 10, 2020

James Anton Dancz aged 76 of Scottville passed away October 10, 2020.

James was born on December 5, 1943 in Ludington, the son of Frank and Margaret "Margie" (Wisniewski) Dancz of Scottville.

James is survived by two brothers Dennis Dancz of Scottville, and Brant (Joan) Dancz of Ludington, as well as various nieces, nephews, and cousins.

James was preceded in death by his parents Frank and Margie Dancz; brother Richard Dancz; and sister-in-law Jean Dancz.

Although James was never married and did not have children, he knew love and loss; pain and compassion; and suffering and kindness. Our family would like to thank all the kind and compassionate staff at various assisted living homes that helped him live a fuller and more meaningful life. James loved reading, watching the Detroit Tigers, and arts and crafts. He will be remembered for his smile, gentleness, humor, and an uncanny ability to recall his friends and family's birthdates and anniversaries.

No Services are planned for James at this time and burial will take place next to his parents in Pere Marquette Cemetery in Ludington.

“ *I had the honor of working with Jim at Dimensions for many years. He was kind and endearing and had a true faith in Jesus Christ. He made me laugh often and had a wonderful smile and a quiet giggle. One time before Easter we talked about what people give up for Lent. I asked him what he was giving up for Lent and he said "Coleslaw". I asked if that was a big sacrifice for him and he said he didnt care for it much. I love that story, it still makes me laugh. Thank you Jim. You are a wonderful man, heaven is lucky to have you!*

“ James was a wonderful, caring, and polite man. His smile would light up the whole room. I will miss our trips to the state park. It's not easy in this life to find somebody who truly understands you. I hope that in his last year I was just that for him. Rest easy buddy, your friend "Miss Patty"

“ I have known and loved Jimmy as far back as my memory reaches. He was our neighbor while we were growing up and his parents were my God Parents. Jim was always kind to me and he always had a smile. He was a gentle soul.

The last time I saw Jimmy was about three years ago. Although his health was failing and I hadn't seen him for a year, he gave me that smile and said, "Susie Heyse. July 10, 1953."

You made the world a kinder, gentler place, Jim. God speed.
