“ We remember Jean with fondness and love. She and Larry chatted with us when we first looked at the cottage across the road from them. We became good friends when we bought the cottage, and would try to visit them each weekend. Jean was always out working in her garden, and her landscaping was the envy of Rainbow and Reed lakes! There are good spirits around their loving home, and we hope that Jean's loving spirit will grace the lake, and Larry, and all her friends, for years. We know her memory will do so. We miss you, Jean.
