“ I remember going to visit everyone. Jessie and Ronnie were who I would spend my time with. I always had a blast at the farm. I remember when Aunt Anna and Uncle Ernest brought the girls to visit us in the U.P. Everytime we had sleep overs my Dad would tell us to quite down. We would get the giggles. I'm so glad I had the chance to grow up with all of you. I was told by Lynn Marie I was the girlest of all the cousins. That would change when I was with Jessie. I was running around being chased by chickens, having a goat eat my hair, to horse back riding, and my favorite just kidding having poop fights. Thanks Mansko family for amazing memories. I love all of you. My heart is broken 💔 I lost 2 of my favorite cousins to play with. You all will be in my thoughts and prayers. Love, Christy and Raymond.

Your Mother has left many imprints upon our hearts. I have many stories to share with you two of our times together. Let me know when you are ready, when we can be together, and I'll share them with you. We've had many laughs throughout the years. She is forever loved and missed. I'm holding you both up in prayer during this difficult time. Thank you for sharing these beautiful family pictures. ❤️🙏

Hi Tara & Kevin, condolences to you both on your Mom's passing. She was my little sister when we moved to the farm. She was a blonde cutie pie. Know that Uncle Jim & I miss her a bunch. You know we will help if needed.

“ Jessica loved her children and all her grandchildren so much. Our hearts are broken. She is gone too soon. I will miss finding you Tiger’s eye stones every time I’m around crystals. May you rest easy mother in law ❤️

So very true, Jessica loved her children and grandchildren very much. I bought her a large Tiger Eye necklace and was going to give it to her the next time I saw her, which never happened. I wore it in memory of her last Thursday, August 28, at the nursing home when visiting Mum. She is deeply missed.
