“ Will be missed! She was the only teacher that would allow me to sleep in her class. :-)

“ I worked with Judy for several years. She was quiet, but full of good humor. She talked me into taking a puppy from a litter that she rescued and I am forever grateful for that. She was a good lady and I know she will be missed by family and friends.

“ I so enjoyed our many teacher's lounge conversations! I remember a few great times out the back door of Judy's classroom! She knows what I'm talking about! Such a wonderful lady.

“ Ms. Schoenherr taught with my parents John and Louise Anderson and I also had her for English. She loved her students and motivated all of us to read more and take our education to a higher level than was typically expected. I will never forget telling her that I was going to Sweden for a year. She was so happy for me.

I saw her last year when I came home for another funeral. After all these years, we sat and chatted....and I could tell she was so proud of who I became. I learned from her and am proud that I knew her.

She will be missed!!
