“ Professor Winn, my heart aches as I'm just now seeing this. I will always cherish the community members coming with me to sing you and Judy Christmas carols -- and how she sang out loud and strong with us on some of the songs. I know you loved her dearly, and know she must have been a special woman too. Thank you for taking such loving care of her as I saw you do. Carry her in your heart, as I will the both of you. With much admiration and gratitude for all you taught me, about biology and beyond, my sincere condolences, Lisa Dibble

“ Judy was a classmate with me during High School. I remember her as a great friend and a wonderful Cheerleader. She was always laughing and the life of the party.
This past Summer I was able to visit Judy and Kirt twice. Once before our class reunion and again after the reunion. We shared some laughs and a big hug. I will miss her.
Condolences to Kirt and the family.

“ Kurt and Ginger so sorry to hear of Judy’s passing. As a child I remember her sending me Haribo Gummy Bears when you were over seas. To this day they are my favorite candy! Such a special lady with a beautiful smile!
