“ *Time Is Meant To Heal*

*Although unheard I thank you  
For always being there  
Even when you were bedridden  
You always seemed to care*

*You meant so much to all of us  
you were special and that's no lie  
you brightened up the darkest day  
and even the greyest sky*

*Many tears I have seen and cried  
They have all poured out like rain  
I know that you are happy now  
Cause your no longer in pain.*

*For years on I remember you  
And what you used to say  
You made each of us smile  
And live to the fullest each day*

*They say in time it gets easier  
I believe this isn't true  
Because even if I tried and tried  
I wouldn't have a clue*

*I was not ready to say goodbye  
Your disease just over took  
So on this day we remember you  
I take a second look*

*Our friendship is forever  
Until death, did we part  
Although your away physically  
Your always in my heart*
