“ I'm so sorry to hear about Kerry! We hadn't kept in touch recently, but I have so many amazing and FUN memories of playful times when we were young. I'll never forget spending so much time at your beautiful home goofing around, playing outside, listening to records, etc. She was such a sweet person and wonderful friend. I really am sad that we lost touch.
Please have my sincere condolences. I'll keep you in my thoughts and prayers.

With much affection,
Christina Pfeufer (Chris Benish)

Kerry you will be missed. I always liked working with you and Susie at Dairy Depot. When you and Susie would start laughing and everyone would join in . In high school you were a great friend and treated everyone with respect. I will say a extra prayer for you and your family. God bless you and now you will be a Angel to watch over your family and keep them safe in this tragic times. We all will miss your Contagious laugh.

“ My memories of my cousin Kerry are of her laughing with that infectious laugh of her's. Always laughing and always excited to show us her bedroom in the house that I always thought was a magical Fairy Castle when I was a child. When we would visit, Kerry made me feel loved and truly happy that I was there, always very welcoming.

We never really stop missing someone - we just learn to live around the huge gaping hole of their absence.

*You are loved, Kerry.... until we meet again..

“ We were deeply saddened to hear of Aunt Kerry’s passing. We know she is in a better place now and that she is no longer experiencing any pain or discomfort. May she know that she was truly loved and her presence will be missed. Prior to her passing she wrote our family a lovely Christmas card and we will cherish those last words she wrote us.

“ I am so sorry to hear about Kerry. I had talked with her and her Mom, about 4 months ago and had a real nice visit. I worked with Kerry at the State Savings Bank of Scottville for quite a few years. She always had a smile for everyone, especially her customers! She was "The Drive Up Teller" for many years at the Scottville Office. Kerry knew every customer by name, and would Always ask them how they were doing or ask about their family! I really enjoyed working with her, and I will never forget her or all of the great times we had working side by side, out in the Bank's drive up! She was a very dear friend and my sympathy and hugs go out to her family.

“ I worked with Kerry at the bank for over 20yrs plus. Kerry and I were not only co-workers but friends. I am so saddened to learn of her passing. One way or another I always tried to stay in touch with her. I seen her not long ago and we talked about going out for dinner or lunch and catching up. I am truly heartbroken that we did not get that chance. Kerry and I shared a lot of good times during our years of working together. Lots of talks, memories and tears. But we always remained friends. I really can't express how sorry I am that she is no longer with us. I will truly miss her, she always had a special place in my heart. Prayers are with the family during this difficult time. Rest in peace my friend, I will never forget you Kerry.

“ My memories of Kerry are mostly from the days when we were kids and we'd drive up and visit with she and her family. She was always the one who would come running excitedly around the side of the house when we first drove up, round faced, smiling and calling with that deep little voice of hers... and laughing, always laughing...
