“ I am so sorry for you loss. I haven't seen Mutt for 50+ years but have fond memories from my teen years. He was one of the 'Best Looking' guys around, knew how to have a good time and always had a smile and a good word! I remember his White Convertible that he and friends were always cruising around in the summer! He will be so missed by his Family and Friends!
Sincerely,
Brenda Chase/Ricksgers

“ *Mutt was the most helpful friend a person could have. The one thing that I will never forget about Mutt is his love for animals how he would help anyone feed theirs animals just because it was the thing to do in his heart. I believe that God has very special places for a person like Mutt where he will continue to care for animals with the love he showed here on earth. Mutt was not greedy, self-centered or a hateful person he loved anyone who came into his life he was a true blue friend and I will miss him always.*

“ I remember the times Cayla, Tiffany and I spent in that big red barn with the pigs. Climbing all over the hay loft, naming the pigs...just being kids. You will be missed not only by your friends and family, but specifically by those in the Settlement. RIP Mutt.
