“ When I mentioned that I was going to get involved with Meals on Wheels to Pam, she immediately was happy to say me too! Let's be partners. And so we did for almost the entire 15 years they lived here in Rarity Bay. After many years we split up when Pam suggested we could serve twice the people if we did it separately. She will be sorely missed by me and the MOW people she served. She was also a great Pinochle partner! Love you Pam

“ Dear Fred and family,
We were heartbroken to learn of Pam's passing and her struggle with cancer since 2018. We remember her kind ways and sweet disposition; and always her love of black and white! She was devoted deeply to her family and that was such an endearing quality. Family was everything to her and it showed! We will remember fun times we had with you both in your Rarity Bay days may God give you all the strength you need in the days ahead. Pam's suffering and pain is now over as she quietly rests in the arms of Jesus. Her faith was always so strong and she was admired for that too she was a beautiful human being who set a wonderful example for the rest of us. May she rest in peace

With deepest sympathy and prayers,
