

## Pamela L. Zygutis

January 17, 1963 - March 5, 2025

Pamela Louise Zygutis age 62 of Muskegon and Fountain passed away on Wednesday, March 5, 2025. Pam was born on January 17, 1963 in Muskegon, the daughter of Walter and Frances (VanOrman) Zygutis and graduated from Muskegon High School with the class of 1981.

Pam worked all over the west shore area from Muskegon to Traverse City in marketing and sales. She was a member of the Lithuanian Club, the Custer VFW Post 5072 Auxiliary, Eagles, and the West Michigan Old Engine Club. Pam loved being outdoors whether working in her garden on the farm in Fountain, participating in local mud-runs, snowmobiling, caring for her many pets, or just enjoying everything nature had to offer in our beautiful area. She was well known for canning the produce she harvested from her garden and sharing with family and friends. Rarely idle, Pam loved to travel, especially to Florida and her most favorite journey – to the Bahamas with her niece Krystal.

Pam was preceded in death by her parents Walter and Frances, and her brother Edward Baker.

Pam will be greatly missed by her sister Sharon Myers (James Johnstone) of Livermore, California; her nieces Krystal Roebuck (R.J. Brinks) of Grandville, and Christy (Rick) Stewart of Twin Lakes; along with several cousins and numerous friends.

Funeral services will be held for Pam at 1:00 pm on Saturday, March 15 at Bachelor Evangelical Covenant Church. Burial will take place near her parents at Bachelor Cemetery. Friends may gather with her family for a time of visitation on Friday evening from 6:00 – 8:00 pm at Wyman Funeral & Cremation Services in Scottville, and on Saturday from 12:00 noon until time of services at the church. Those who wish to remember Pam with a memorial donation are asked to please consider one of her favorite charities Lakeshore Animal Friends.

“ *I met Pam many years ago when my best friend Sharon, Pam's big sister, brought Pam over to my home in California when she was vacationing here. We all had a blast that day. I have enjoyed hearing all about Pam and the things she and Sharon would do together back there in Michigan and Las Vegas trips. I am Sharon's travel advisor and make sure she gets back to be there seeing family and especially for Pam.*

“ I got to spend a lot of time with Auntie during this last journey in her life. My son was her birthday twin and we had a chili dog birthday party this year. We had numerous trips to Walmart and Sam’s Club. We watched multiple hours of the food and game show channels, and I brought unsweetened tea from Panera Sip Club every night I worked. But one of my favorite memories is when we went out to pick up fish dinners from the Lithuanian Club. We get home and she gets out before me, because she can never wait for help. I get out, carrying the two fish dinners and I hear, “Ummmm, I’m gonna need some help.” And it’s dark now. I ask, “where are you?” And she responds, “down here.” She had fallen in the snow bank. Now, if you know how tall she is, imagine this, she puts her arm around me and I stand up, as tall as I can, and she’s still on her knees. Now we are laughing. So I pop the trunk open on my little Trax, and she scoots to the back of my car on her knees. Now we’re laughing so hard, I think we’re both crying. When she gets to my car, I shove her up in the trunk, like something you would see in the movies, and then I am finally able to pull her up to her feet. Now we’re laughing so hysterically, trying to get to the house and not slip again. In the midst of this, when I had asked what she was doing down there, she said “making a snow angel”. I will always cherish our “snow angel” memory and I will miss you every day. I love you Aunt Pam. Thank you for loving me and my family, unconditionally. You will always be my Snow Angel.

“ I was so sad to learn of the passing of my cousin Pam. My fondest memory of her was when she flew to San Diego to help surprise my Mom in celebrating her 90th birthday. The joy that she brought my Mom on that day will never be forgotten. RIP cuz.

“ Pam was one of our favorite cousins. We always had to visit when we were in the area. She kept the VanOrman family reunions going as long as she could. Fun at the campground, with water fights, of course. She was always busy with her critters and always on the go. We'll miss her.

“ So sad to learn of this. Pam was a kind giving person. She introduced me to having backyard chickens. I am grateful for her friendship.
