“ *I'm so sorry to hear of Pattie's passing. I spent many an hour at their house as a young girl hanging out with Alice. I always felt the Callis Family was my family, her sisters my sisters, her brothers my brothers; they were so loving and treated me as one of their own. I got to spend some time with Pattie last year and it was so nice. My thoughts and prayers are with all of you. Alice will take over from here. 💕*
