“ I treasure my memories of Auntie Phyl-her warm, welcoming personality. I loved the family parties at her house when growing up. As my brothers would be occupied with Jack and Pete, I would have King time all to myself. With our cottage next to Uncle Pete and Auntie Phyl's cottage, we spent many summers together. My parents had so much fun with them. I would always hear lots of laughter coming from their get-togethers, as I was supposed to be falling asleep. My last visit with Auntie Phyl was about 15 years ago in FL. We stopped to see her at her condo. It was a very special time-wonderful to see her smile again and hugs like she gave me when I was a little girl! I loved her very much.

Much love to Jack and family- Gayle Kelly
