“ Our deepest sympathies Michelle, John and Phylliss and all the family. So sorry not to make the service. I guess I need to read the paper more than once a week. Many fond memories of playing poker with Rick at the Nelson reunions often held at the Miller farm. I would have loved to team up with Rick against his father-in-law about how hard us postal workers had it. Doubt if we would have won but we would have tried. You're all in our prayers.
