“ Mrs. Hasenbank & family: So sad to hear about Bob's passing. May you find peace and comfort during this difficult time. Bob was a good man who lived a good life. My parents were good friends and always appreciated your friendship and fellowship.

“ You will be missed Uncle Bob, I can remember spending time on the farm in the summer, and bringing you lunch when you were cutting hay, going to the barn and dipping a can of fresh milk out of the cooler, and just hanging out . I remember riding the motorcycle with you also, good times. I know you are looking down on us all. love you. Deb and Howard .
