“ *My thoughts and prayers are with you and your families. I am so sorry this happened. He was a great dad and grandpa. I know I didn't know your dad real well, but am so thankful he gave me such a great friend who has blessed my life. I know he was suffering and is now at peace and in a better place. Cherish the memories of your dad. I know he will be truly missed. Hang in there and if there is anything I can do, please don't hesitate to ask. I am here for you. God bless all who has been touched by Roger! Stephanie Talsma*

*I'm so sorry for the loss of a great Father and Grandpa. Our thoughts and prayers go out to your entire family and friends of Roger. He was such a friendly man and always a pleasure to talk to. One find memory that sticks with me is when he was customizing a golf cart. I helped him at Advance Auto a number of times to get special things he needed for that project. He was always kind and liked to talk. I'll bet he made the coolest golf cart in the county! He spoke fondly of you, Tangee every time we talked. Hold your head high as your Dad was always well thought of. Remember that your friends are always here for you!*

*All our love: Keith, Brandee, and Rochelle*

*I'm so sorry to hear this. Roger was my cousin. His father and my mother Dora Nine Bolyard were siblings. We spent many happy hours on his family farm when we were children. I too, like my cousin Debbie, remember how handsome he was. May his memory be a blessing to you all.*

*So sorry to hear Rodgers passing. Roger and I attend school until her graduation in 1967. We enjoyed many friends and fun times together. After graduation we went our separate ways in our lives. It will be some 25 years before we would see each other again. But when we did we talked about all the old times and fun and we had back in school with our friends and buddies. I know Roger love this country and was proud to be a veteran. I know he loves his family his girls and his grandkids. I'll miss my friend but I will see him again and when I do we will again talk about our old times together until then I know he's in good hands thank you my friend.*
