“ We first met Roy and Ester in our early days teaching at Gowanda in the late 80’s through m wife’s connection with AFS. I later got to know him pretty well during his subbing time at GCS. I loved to hear his stories during a lunch breaks, and always enjoyed working along side him.

Roy lived his life for others and God. If he wasn't on a missions trip to Russia he was sharing the gospel at summer camp, vbs, soccer field, or the classroom. What an inspiration his life has been to me through the years. Well done thy good and faithful servant. Judy Driscoll

I am so very sorry to hear this. My Bible study group was talking about some of our teachers in school and Roy's name came up. My daughter also had him and I was a chaperone on one of the club trips. It was so much fun along with being educational. Prayers are with the family.
