“ I think back to high school, and one thing I cherished most was my friendship with Sam. It was better than having an older brother -- we could tell each other EVERYTHING! And sometimes I definitely knew WAY TOO MUCH! :) He was my protector, and I adored him so.

“ Harold & Norma....my heart aches for you. I remember Sam came knocking at my door asking if I was going to eat those mushrooms growing in my yard. He taught me I could eat them...so a kept a few but let him know he was welcome to pick my mushrooms any time.
