

Sandra N. Bellet

April 9, 1962 - July 27, 2020

No services are currently planned for Sandra but honoring her final wishes, her family will taking her for one last cruise along the Lake Michigan coastline.

A celebration of her life may be held in the future after COVID mandates are no longer in force.

“ My heart goes out to you, hard to believe "Sandy" is gone. Sandy and Ethan attended Crossroads Church a while ago and she was so awesome with Ethan and it was a blessing that she could be the mom he deserves to have. My thoughts and prayers are with you. She loved you so much. Ethan, remember your shop with a cop and that you can reach awesome goals and that you are a great young man.
