“ I have so very many amazing memories of Ginny. She was one of the most amazing ladies I have ever known. Her heart was 10 times the size of her. She always was there with a hug. One of my favorites was the night she has my grams, papa and I out for dinner. She made cabbage rolls. I had myself convinced I didn't like them. She convinced me to just try a bite and see and oh my goodness they were absolutely delicious. My heart is with Brad, Brian and Ms. Toni. We love you!!
